Noah Seminoff

#6 – 1627 19 Avenue SW, Calgary, AB
noahseminoff@gmail.com (587) 890-4496

Work Experience

Spring 2021 **Student Research Assistant** Department of Physics and Astronomy, University of Calgary

Education

2024 – current **Master of Data Science and Analytics**
University of Calgary

2023 **Additional Courses** GPA 4.00
Athabasca University

2017 – 2022 **Bachelor of Science (Honours, First Class)** in Astrophysics GPA 3.97
University of Calgary

2016 **Additional Courses**
Chinook Learning Services

2011 – 2015 **High School Diploma**
John G. Diefenbaker High School, Calgary

Research Publications

1. D. Leahy, N. Seminoff, and C. Leahy, "Far-ultraviolet to fir spectral-energy distribution modeling of the stellar formation history of the m31 bulge," *The Astronomical Journal*, vol. 163, no. 3, p. 138, 2022.

Academic Projects

2021 **PHYS 599 - Senior Research Thesis: Modelling Warm Carbon-Chain Chemistry with the Pnautilus Code**, Supervised by Dr. Rene Plume, University of Calgary.

2021 **PHYS 451 - Statistical Mechanics II: Geometric Brownian Motion and Option Pricing**, Supervised by Dr. Joern Davidsen, University of Calgary.

2021 **PHYS 581 - Computational Physics III: N-Body Simulations using the Fast Fourier Transform**, Supervised by Dr. Brian Jackel

Awards

2024	**Be The First Scholarship**	University of Calgary
2021	**Faculty of Science Dean's List**	University of Calgary
2020	**George Arthur and Lily Hadden Sullivan Bursary**	University of Calgary
	Fujda Family Scholarship in Astrophysics	University of Calgary
	Faculty of Science Dean's List	University of Calgary
	Jason Lang Scholarship	University of Calgary
2019	**Faculty of Science Dean's List**	University of Calgary
	Jason Lang Scholarship	University of Calgary
2018	**Undergraduate Merit Award**	University of Calgary

Awards (continued)

	Faculty of Science Dean's List	University of Calgary
	Jason Lang Scholarship	University of Calgary
2017	**Alexander Rutherford Scholarship**	University of Calgary
